Power & Performance

The Tressel FOLD2 is engineered with a dual-motor system and impressive range to keep you riding longer and farther than ever before.

700W

Dual Motor Power

Two 350W motors working in tandem for smooth, reliable performance on any terrain.

50mi

Max Range

40 to 50 mile range on a single charge — perfect for daily errands and leisure rides.

3

Speed Modes

Choose from 5 mph, 10 mph, or 15+ mph to match your comfort and environment.

500lbs

Weight Capacity

Carbon steel frame rated for up to 500 lbs — built tough for two riders and cargo.

Built for Two – or One

The FOLD2 is designed with versatility at its core. Whether you're riding solo or bringing a passenger along, the FOLD2 adapts to your needs with ease.

Passenger Mode

Seats two comfortably with a padded bench seat and a full reclining backseat with adjustable armrests. The rear seat reclines via lever from 90 to 180 degrees for maximum comfort.

Solo Mode

The backseat folds down via hand lever, freeing up additional storage space and giving the solo rider more room to move. The flip-up backseat makes switching between modes quick and effortless.

Fold, Store & Go

The FOLD2's signature foldability makes it one of the most practical electric trikes on the market. Compact enough to fit in a trailer, a garage corner, or the back of a truck.

Unfolded

55(L) × 21.6(W) × 42.5(H) inches

Folded

29.5(L) × 21.6(W) × 42.5(H) inches

Weight

165 lbs with lifting points for easy two-person carry

Equipped with an innovative motion-sensing alarm system — each key is unique to each Tressel FOLD2. Includes battery lock & key for added security.

Safety & Lighting Features

Premium Accessories – Included

Every Tressel FOLD2 purchase comes loaded with premium accessories at no extra cost. These aren't afterthoughts — they're integral to the FOLD2 experience.

Premium Mirror Set

Constructed with aluminum and carbon fiber. Fully adjustable for perfect blind-spot coverage. Fold inward for compact storage.

Motorcycle Peg Set

Premium aluminum and rubber pegs, fully adjustable for solo or passenger riding. Fold up neatly when not in use.

Premium Cover

Includes a premium protective cover with its own carrying case to keep your FOLD2 protected when stored outdoors.

Charger & Battery

Auto-shutoff charger and installed battery included. One spare inner tube also comes with every purchase.

Smart Storage Solutions

The FOLD2 is designed with practical, thoughtful storage options that work whether you're running errands or heading out on a longer adventure.

Folding Front Basket

The collapsible front basket folds flat when not in use. An optional support bracket handles loads up to 20 lbs, with a removable front bracket for basket support rated at 20 lbs.

Expandable Rear Bag

The rear expandable storage bag features a zipper design that folds up to allow the taillights to remain fully functional while the bag is in use — smart design, zero compromise.

Reclining Backseat Storage

The rear seat reclines from 90 to 180 degrees via a simple hand lever, converting the passenger area into additional cargo space whenever you need it.

What Riders Are Saying

Real owners. Real experiences. The Tressel FOLD2 has earned five-star reviews from riders across the country.

> *"There's absolutely nothing else that I've been able to find and want in over two years of searching that's even come close to my desires. Our TresselFOLD E-Trike is easily one of the most beneficial, favorite, fun, and instantly practical purchases we've ever made. Absolutely no regrets!"*
>
> ***Maurice*** *— North Carolina ★★★★★*

> *"Brandon developed the Tressel to be a true reliable scooter with the power to pull the hills at Dollywood like there is nothing to them. We love our pair of Tressel FOLDs."*
>
> ***Marvin "Santa"*** *— North Carolina ★★★★★*

> *"We love our Tressel. Fits in stall in horse trailer. And doggies love it."*
>
> ***Chris*** *— Florida ★★★★★*

> *"I have one and it is so fun!"*
